

## **SRO for BMRD study section at NIH**

**por webadmin - Viernes, octubre 24, 2014**

<http://www.biometricsociety.net/2014/10/24/sro-for-bmrd-study-section-at-nih/>

Dear colleagues:

After 5 years of managing the review of extramural grants in statistics and biostatistics as a Scientific Review Officer at the Center for Scientific Review of the NIH I will be stepping down to pursue an opportunity with the FDA. The CSR is currently looking for my replacement. This is a PhD level position and requires track record in statistics - biostatistics method development and application of statistical methods to public health issues.

If interested please get in touch with me, I will forward your info to our administrators. I am not formally involved in the selection process, but I want to make sure that the CSR has a solid pool of candidates and that the BMRD study section gets a good permanent SRO. More information about the BMRD study section can be found here:

<http://public.csr.nih.gov/studysections/integratedreviewgroups/hdmirg/bmrd/Pages/default.aspx>

Best

Tomas

Tomas Drgon, Ph.D.

Scientific Review Officer
