Dear Colleague,

would you like to increase your knowledge about Bayesian Methods?

Join us in Brussels! November the 17th, we will host a professional panel of speakers that will drive you *through the current status of the application of Bayesian Methods in Drug Development*.

**WHO SHOULD ATTEND:** all professionals dealing with clinical trials that want to know more about the **practical advantages** that the Bayesian holds over the conventional approach.

REGISTER [here](#) to secure your place! You can **save € 90 off** your fee if you book by **November 3rd**. Visit the [website](#) for the full agenda and abstracts, phone or send me an email if you wish to know more.

We look forward to meeting you in Brussels.

Best Regards,

Valeria Quintily
