Announcement for the 11th O-Bayes workshop: June 1-5 2015, Valencia

por webadmin - Domingo, diciembre 21, 2014

http://www.biometricsociety.net/2014/12/21/announcement-for-the-11th-o-bayes-workshop-june-1-5-2015-valencia/

The International Workshop on Objective Bayes Methodology, O-Bayes15, will take place in Valencia, Spain, June 1-5 2015.

This will be the 11th Meeting edition of one of the longest running and preeminent meetings in Bayesian Statistics. The principal objectives of O-Bayes15 will be to facilitate the exchange of recent research developments in objective Bayes theory, methodology and applications, and related topics, to provide opportunities for new researchers, and to establish new collaborations and partnerships.

O-Bayes15 will feature 21 invited talks and discussants, 3 tutorials and a poster session to which submission is encouraged. O-Bayes15 will be dedicated to Susie Bayarri. Specifically, the morning of Tuesday June 2nd will be Susie's morning. It will begin with a special "Jogging for Susie" and it will continue with specific talks to celebrate her contributions to Bayesian Statistics. Along the morning we will also celebrate her life with a wine tasting.

More details on the O-Bayes15 program, the Susie's Morning, registration procedures and rates, accommodation, and poster submission can be found in:
