9th International Symposium on Imprecise Probability: Theories and Applications

20-24 July 2015

Pescara, Italy

Website with up-to-date information on all aspects of the conference: <http://www.sipta.org/isipta15>

Scientific program contact: [isipta15@easychair.org](mailto:isipta15@easychair.org)

Local organization contact: [isipta15@unich.it](mailto:isipta15@unich.it)

## Important Dates

17 Apr – Poster-only abstracts due

06 May – Poster-only notification

29 May – Early-bird registration deadline (€350 full; €200 student)

## Scope & Format

ISIPTA is the primary international forum to present and discuss new results related to imprecise probability.

We welcome both theoretical and applied contributions. The poster-only track provides a presentation option that is also open for preliminary results, challenges, etc. 1-page abstracts should be submitted in the two-column ISIPTA format you can find at <http://www.sipta.org/isipta15/?pag=posteronly>

The Program Committee will decide upon their acceptance based on their originality, soundness, technical quality and clarity of exposition.
