Estimated colleagues,

We are pleased to announce the **38th Annual Conference of the International Society for Clinical Biostatistics, to be held in Vigo (Spain) on 9-13 July 2017.**

The **International Society for Clinical Biostatistics (ISCB)** was founded in 1978 to stimulate research into the principles and methodology used in the design and analysis of clinical research and to increase the relevance of statistical theory to the real world of clinical medicine. **More info** <http://www.iscb.info/>

Like previous annual conferences of ISCB, **the 2017 conference will provide a scientific forum for international exchange of theory, methods and applications of biostatistics in medical research and practice among clinicians, statisticians and members of other disciplines**, such as epidemiologists, clinical chemist and clinical pharmacologists, working or interested in the field of clinical.

We would be grateful if you could disseminate as widely as possible this information among your members, and on the other hand we ask you to publish the information about this conference in your website and calendar of next events.

Thank you in advance for your support

Yours sincerelly,

Jacobo de Uña Alvarez (University of Vigo, Spain)
