School of Business, Universidad Torcuato Di Tella, Buenos Aires, Argentina

Tenure-track faculty positions, Operations Management and Management Science

The School of Business of Universidad Torcuato Di Tella is seeking candidates for two tenure-track faculty positions in Operations Management or Management Science at the Assistant Professor level with flexible starting date between March 1st, 2016 and August 1st, 2016.

Qualifications:

Applicants must hold or be in the process of completing a PhD in Operations Management, Operations Research, Industrial Engineering or a related field at the time of application. Candidates should have a record of research and teaching commensurate with experience. Applicants are expected to teach three courses per year to undergraduate and MBA students.

Application Procedure:

To apply, please submit a cover letter, curriculum vitae, statement of research, statement and evidence of teaching, one publication or working paper, and names and contact information of three professional references. Please email your full application package to recruitingSB@utdt.edu

Review of applications will begin immediately and applicants will be considered until the positions are filled. Preliminary interviews will be conducted at the 2015 INFORMS Annual Meeting in Philadelphia. Alternative arrangements can be made for qualified applicants not planning to attend INFORMS.

About the University:

Universidad Torcuato Di Tella (UTDT) is a highly regarded research university in Latin America. The mission of the University is to educate new generations of academic, social, political and business leaders, and to enhance research and scholarship in the arts and sciences. More than 80% of its faculty holds PhDs from prestigious universities in the US and Europe. The campus is located twenty minutes away from downtown Buenos Aires, a major city ranked highly in quality of life.

For questions regarding this position, please contact Professor Nicolas Merener at nmerener@utdt.edu
