JOB DESCRIPTION:

The post holder will be responsible to the Head of the Biostatistics Research Group and will undertake research, scholarship, teaching and administration and other activities supporting the work of the Department of Health Sciences and developing and enhancing its reputation, both internal and external to the University.

The post holder will be expected to have demonstrated expertise and outstanding research achievement/potential in Biostatistics, with interests which complement or enhance existing programmes/strengths within the Biostatistics Research Group – these are primarily the development and application of

(Bayesian) statistical methods in Health Technology Assessment (HTA) and chronic disease epidemiology.

Further details regarding the Biostatistics Research Group can be found at; <http://www2.le.ac.uk/departments/health-sciences/research/biostats>

In terms of teaching – the main responsibility of the post holder will be to the long standing MSc in

Medical Statistics, including project supervision.

Further details of the course can be found at: <https://le.ac.uk/courses/medical-statistics-msc>

PERSON SPECIFICATION:

As a Lecturer you will be an excellent Biostatistics researcher, as demonstrated by publications in peer-reviewed journals and with potential awards of external funding.

You will also be someone who can undertake high quality teaching in Biostatistics at post-graduate level.

As a Senior Lecturer you will be an excellent researcher, as demonstrated by publications in leading peer-reviewed journals and successful awards of external funding.

You will also be someone with experience of undertaking high quality teaching in Biostatistics at post-graduate level.

INFORMAL ENQUIRES are very welcome and should be made to Prof Keith Abrams on keith.abrams@le.ac.uk or [+44 116 229 7266](tel:+441162297266)

FURTHER INFORMATION and details (including how to apply) about this position can be found at;

http://ig5.i-grasp.com/fe/tpl_UniversityOfLeicester01.asp?newms=jj&id=94157&aid=18079

CLOSING DATE: midnight on 22 October 2015

Keith R Abrams PhD

Professor of Medical Statistics & Head,

Biostatistics Research Group

Department of Health Sciences

University of Leicester
