Update

P3G is proud to disseminate the following information:

The European Data in Health Research Alliance campaign has launched a petition for individuals to show their support for a positive text for research that protects individuals' data. **Please [sign the petition](#) to show your support, and encourage those across your network to sign it too.**

For academic, patient and other non-commercial organizations: an open letter on the Regulation is under preparation. For more details on the European Data in Health Research Alliance and the petition please [CLICK HERE](#)

Thank you for your ongoing support.
