The Department of Mathematics and Statistics at Georgetown University invites applications for a tenure-track position in statistics at the Assistant Professor level to begin in August 2016. Applicants must have a PhD/DSc in Statistics or a related field. Successful candidates will have a strong commitment to research and teaching, and are expected to become an integral and active member of the faculty supporting the Master's degree program in Applied Mathematics and Statistics as well as the undergraduate program in the Department. Completion of all PhD/DSc degree requirements are required by July 31, 2016.

To apply, go to MathJobs.org at <https://www.mathjobs.org/jobs/jobs/7843> and supply a cover letter, CV, research and teaching statements, and three letters of recommendation. Questions may be directed to the Search Committee chairperson, Dr. Kimberly Sellers, at [stat\\_hire@georgetown.edu](mailto:stat_hire@georgetown.edu).

Application materials should be submitted by January 10, 2016.

Georgetown University is an Equal Opportunity, Affirmative Action employer fully dedicated to achieving a diverse faculty and staff. All qualified candidates are encouraged to apply and will receive consideration for employment without regard to race, sex, sexual orientation, age, religion, national origin, marital status, veteran status, disability or other categories protected by law.
