The Department of Data Sciences and Operations within the USC Marshall School of Business invites applications for a tenure track position in Statistics starting in Fall 2016. Rank is open. Applicants must display strong research potential as well as excellent teaching skills. Candidates must have a Ph.D.

in statistics or a closely related field, or be assured of its completion by Fall 2016. We are interested in applicants from all areas of statistics.

Applicants with interdisciplinary interests in statistics and machine learning are encouraged to apply.

The successful applicant will join a vibrant statistics group of 14 faculty.

Remuneration is very competitive. In addition, generous research support for technology and travel is provided for all faculty. Teaching loads are generally low with many faculty completing their teaching assignment in one semester.

Interested candidates should apply at: <http://jobs.usc.edu/postings/57713>

Please submit your cover letter, curriculum vita, copies of representative research papers, research statement, three references, and any teaching evaluations.

Our search will continue until the position is filled. For full consideration please ensure that all application materials are uploaded by December 15, 2015.
