

Postdoc positions - Biostatistics and Epidemiology unit at CINBIO, Vigo, Spain

por webadmin - martes, febrero 04, 2020

<http://www.biometricsociety.net/2020/02/04/postdoc-positions-biostatistics-and-epidemiology-unit-at-cinbio-vigo-spain/>

The Biomedical Research Center of the University of Vigo (<http://cinbio.es>) offers three full-time postdoctoral positions, starting April 1st 2020, for candidates with a very good publication track record.

One of the four strategic research lines of CINBIO is Bio-statistics and Health informatics and intelligent systems, so statisticians with a strong background or interest in Biostatistics and/or Epidemiology are encouraged to apply. The Biostatistics and Epidemiology unit at CINBIO is supported by SiDOR research group (<http://sidor.uvigo.es>) -please feel free to contact SiDOR for further information.

Application deadline is February 28, 2020. More info at <https://bit.ly/38Q7y08> and <https://euraxess.ec.europa.eu/jobs/486811> ;
